ROAD

Astro-Turf Multi Purpose Sites (For Vans & Tents) - Set up for Astro Turf sites follow the same guidelines as above. All pegs are to be no longer than 300mm in length. Please keep any cooking equipment away from the surface of the turf.

Tent Sites are to accommodate tents, swags, roof top tents, and soft floor camper/tent trailers without internal kitchen facilities.

There is no connection to water or sullage for grey waste water.

Washing up water should be disposed of at camp kitchen – not on the site or flora, as this can attract unwanted pests / insects.

Your set up must be completely within your site boundaries – this includes your guide ropes. Please do not cover more than 65% of site with your set up - this includes mats and tarps.

- Strictly **ONE CAR/VEHICLE ONLY** per site. • Car/Vehicle **MUST** be parked on your site.
- If your vehicle does not fit it is to be parked **outside** of the Park grounds
